Special Announcement

- Special Announcements

This is just a quick note from us here at eTravelogue to let you all know that we've been voted "[Cool Site of the Day](#)" for August 1, 2005. Not too shabby for just having formally launched a few short weeks ago... We want to thank you all for helping us get so far in our quest of making eTravelogue the best road trip planning site on the Internet.

So, on Monday, August 1, head on over to www.coolsiteoftheday.com, and vote for how cool you think eTravelogue is. There's a Cool Site of the Year award up for grabs.

To celebrate the award, we've launched a [new membership option](#). We're offering unlimited deluxe itineraries for an annual membership price of only \$19.99 -- much more cost effective than paying per itinerary. Head on over to the website and check it out if you're interested.

Thanks again to you all for making eTravelogue such a success!
